News and Information for Tysons Woods

Editor's corner

Where are we? A big thanks to Mitch Gittler who has loaded the Tysons Woods map up on the community web site. In case you are wondering what "Area 1" is, go to <http://www.tysonswoods.org/Home/map-of-tysons-woods> and you will quickly find your home and your area number. Here in the TyLine (left) is the name of your area coordinator, who delivers your TyLine and represents the community on the board, helping to plan and put on our various events.

NOTES from the BOARD:

Thank you to C.J. Lee, outgoing Area 1 coordinator, for your service to the community. Welcome to the Board and thanks in advance to the new Area 1 coordinator, Laila Akhlaghi.

Weight loss!! Looking for low-impact fun? Join our executive board as a representative of either Area 5 or Area 7. Mitch Gittler is currently holding down both Areas and could use a break. Time it takes? About an hour every three months for meetings, plus a brisk, energizing walk to deliver the TyLines and smiles to your neighbors. Try it!

Updating the Directory: We are starting the periodic update of the Community Directory. Volunteers will check the information in the 2007 directory with households near where they live, updating it as necessary. The 2011 directory will be published later this year. To help out, email TWCABoard@gmail.com. Current volunteers, you are terrific! New volunteers, thanks in advance!

Welcome new neighbors! We hope you are enjoying Tysons Woods, and urge you to join our neighborhood activities. Please drop one of us a note so we know who you are and can get you into our neighborhood database for the next directory. We would like to get the current Directory into your hands so you can get to know your neighbors, and also have this handy reference for local resources.

Sweet Tooth Report

By Mitch Gittler

Molly's Yogurt

There is a new yogurt shop in Vienna that is hidden from view. It is located in the Village Green Shopping Center at Maple Avenue and Nutley Street in Vienna. Conveniently, it is in the same shopping area as Nizam's and Italian Gourmet. Molly's Yogurt was opened last year by Jeremy Schottler, a man who knows great tasting food: Schottler also owns Italian Gourmet.

Molly's yogurt is exceptional and very different from other frozen yogurt. This yogurt is tart, not too sweet. They currently have 4 flavors that vary by day. All are outstanding and special.

An additional benefit is the calorie content. 8 ozs of yogurt, which is a lot, contains less than 200 calories, and is very filling. Molly's offers 3 free toppings that might contain some calories depending if you pick fruit toppings or chocolate and candy toppings. All are fresh and good.

The shop also offers 10 kinds of locally made gelato. Molly's is definitely worth a detour if you are near Nutley and Route 123. You'll find it tucked around the back of the parking lot, so look for Nizam's or Italian Gourmet as your landmarks. Well worth a visit: 521 Maple Avenue W., Vienna
